

Text of President McCormick's March 25, 2009 Response to the [November 2008 Senate Report](#) and [Recommendations on Charge S-0107, Recommended Revised Referendum Guidelines for Funding Special Student Organizations](#):

I am writing in response to the Report and Recommendations on Charge S-0107, Recommended Revised Referendum Guidelines, as adopted by the University Senate on November 21, 2008. The members of the University Structure and Governance Committee have my appreciation for their attention to this issue.

Vice President for Student Affairs Gregory Blimling has been working with student groups to try to reach agreement on the proposed referendum guidelines. I have asked him to provide me with a joint recommendation from the Rutgers University Student Assembly and the staff of *The Daily Targum*. I expect to receive this recommendation in the near future, perhaps as early as this week. I will report back to the Senate when that recommendation has been received and a course of action has been determined.
