November 2015

Whereas, PTLs contribute invaluablely to the educational process at Rutgers; and

Whereas, PTLs' educational contributions impact students directly; and

Whereas, PTLs' educational contributions impact students directly, as PTLs teach classes, mentor students, write letters of recommendation, and act as advisors; and

Whereas, PTLs strive to obtain reward and recognition for their commitment and work; and

Whereas, PTLs deserve respect from the entire Rutgers community; and

Whereas, PTLs can only perform at their best with appropriate support from the administration, including professional compensation and working conditions;

Therefore, Be It Resolved, that the Rutgers University Senate urges the Rutgers administration to provide the financial support, professional treatment, and respectful inclusion that PTLs pursue so they can do their best for students.
