

January 16, 2020 Email from Francesca Maresca c/o Salvador Mena after January 10, 2020 Presentation to Senate EC

Campus Connect Suicide Prevention Gatekeeper Training will be available to staff, students and faculty throughout the spring 2020 semester. This is an excellent follow-up to the Mental Health First Aid training and focuses specifically on suicide and crisis. Please feel free to share with colleagues. I apologize for those of you getting this message from multiple sources.

Campus Connect Suicide Prevention Training provides participants with information about mental health, suicide, and risk factors as well as the skills to recognize an individual in crisis, initiate a conversation and ultimately, a referral to CAPS. This two-hour training is available to faculty, staff and students at no cost. Campus Connect Suicide Prevention Gatekeeper Training can also be facilitated for individual units.

To register for a spring workshop, go to <https://bit.ly/2NypHaF>. Please contact Francesca M. Maresca at fmaresca@rutgers.edu with questions or to schedule additional trainings.

Thank you for sharing with your staff and other colleagues throughout the University.

Best, Francesca
