Subject: RE: Transmittal of U. Senate ICAC Report S-2105

Dear Mary,

I am writing to acknowledge receipt of the University Senate's report and resolution regarding Charge S-2015, Exam Conflict Policies. My thanks to the Instructional Curriculum and Advising Committee for its work on this issue and its concern for students who need accommodations during the final exam period. As this is an academic matter, I am asking Executive Vice President Prabhas Moghe to review the report and consider its implications for exam scheduling moving forward.

Sincerely,

Jonathan Holloway
President & University Professor
