To: Vicki Hewitt

Dear Vicki,

Thank you for sending me the University Senate's report and resolution on Charge S-2012-1: Procedures for Handling Student Complaints Against Rutgers Personnel Regarding Instruction.

I concur with the recommendation that our schools publicize the policy on filing a student complaint regarding instruction via a centralized Rutgers online location, and I will ask Executive Vice President for Academic Affairs Prabhas Moghe to have his staff in Academic Affairs work with the appropriate offices to put these recommendations into effect.

My thanks to the Academic Standards, Regulations and Admissions Committee for bringing these recommendations forward.

Sincerely,

Jonathan Holloway
President & University Professor
