Adrienne Simonds
Chair
Rutgers University Senate

Dear Chair Simonds,

I am pleased to accept the recommendations of the University Senate in its recently adopted report, S-2109: Communication Mechanisms Regarding Major Changes in IT Applications.

As you know, Senior Vice President Michele Norin worked with the Information Technology Committee as it was developing the report, and we greatly appreciate the Senate's commitment to working with the administration to foster communications and participation on IT directions and related initiatives. Senior Vice President Norin informs me that she has accepted the ITC's invitation to participate in its regular committee meetings and that the ITC has already received requests to solicit membership on a couple of administration projects.

I anticipate a close working relationship between the Office of the Chief Information Officer and the Senate Information Technology Committee, and I appreciate the Senate's efforts in developing this report and its recommendations.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jonathan Holloway'.

Jonathan Holloway
