Ad Hoc Committee on Senate Officer Compensation

Michael Joseph and Suja Patel, Co-Chairs

[Report on S-2312: Senate Officer Compensation](#)

The ad hoc committee was charged as follows:

To provide guidelines for appropriate compensation for Senate officers and other Senators whose duties as Senators represent a significant fraction of their university obligations. The resources for such compensation should be provided in a manner that does not create conflicts of interest. Procedures for such compensation already in place at some of our peer aspirant universities may serve as useful models.

University Structure and Governance Committee

Perry Dane and Kevin Schroth, Co-Chairs

[Report on S-2202-1: Honors College Student Senators](#) (Information Only)

The USGC was charged as follows:

Investigate and recommend how Honors College Students from each campus can best be represented in the Senate. The creation of the Honors Colleges on each campus has created a new unit and community that students live, learn and participate in within the University. Student entitlements to the Senate are based on their academic association and Honors College Students can participate based on those associations if elected via their student governing associations. However, since student Senators are not specifically elected from the Honors College they may not be able to properly represent the needs of the Honors College community.

Academic Standards, Regulations and Admissions Committee

[Report on S-2324: Investigate Sunsetting of Academic Credit Across Campuses and Review Any Proposed Changes](#)

The ASRAC was charged as follows:

Review how course credits earned at Rutgers can be sundowned across all Rutgers campuses, recognizing many students are unable to complete a desired academic degree in the usual time sequence. Report and explain the rationale for any proposed changes and offer possible recommendations concerning changes to policy of earned credit toward graduation, with consideration of potential complexities with respect to professional/graduate studies that are externally accredited.

[Report on S-2327: Develop Nomination Procedures for a Senate Representative for the Policy Approval Committee](#)

The ad hoc committee was charged as follows:

To develop nomination procedures for a Senate Representative for the Policy Approval Committee for addition to the Senate Handbook. As part of the new policy approval process, the University Senate is entitled to a representative on the University-wide Policy Approval Committee. As the Policy Approval Committee begins meeting in February 2024, the current representatives to the Board of Governors will serve as interim representatives to the Policy Approval Committee in the meantime.
