

Resolution on Camden Town Hall

Whereas members of the Camden campus community have expressed concerns regarding communication with the Chancellor and his administrative team, be it resolved that:

Given The University Senate's role in serving as an advisory body to the President of Rutgers University, the University Senate recommends President Holloway plan an open, public, and in-person town hall with half of the time dedicated for a question and answer session on the Camden Campus, ideally in coordination with and participation from Chancellor Tillis, prior to the end of the Fall 2024 semester.
